The 11-year-old boy who was shot while playing with a rifle last week has been upgraded to fair condition.

Police say Timothy Cooper and three friends broke into a neighbor's home in Latonia Lakes and found the rifle.

Police say while they were looking at it the gun went off.

The bullet went into Timothy's back and exited through his chest.

So far no charges have been filed.

Kenton County police say they want to talk to Timothy Cooper first.
